Brake Light Van Camera

Connect the camera

Maintenance

* Although this Rear View Camera requires little care, you can still maintain its condition and performance by following these steps:
* Occasionally clean the camera lens with damp soft cloth.
* Should you experience any problem with the camera please refer to the troubleshooting guide below prior to returning your camera for repair.
* Note: The user should not attempt to service the unit beyond that described in the operating instructions. All other servicing should be referred to qualified personnel.
